

PRIVACY POLICY

The websites codealley.dev and codealley.cz are owned and operated by CodeAlley s.r.o., the company with the registered headquarters at Na Folimance 2155/15, Vinohrady, 120 00 Praha 2, Identification Number: 17868319, registered with the Commercial Register kept by the Municipal Court in Prague, Section C, Insert 378068 (further "We" or "Us").

We reserve the right to make changes to this Privacy Policy at any time and for any reason. Such changes will take effect on the date they are posted (i.e., the "Last Update Date" of this Policy).

The purpose of this Privacy Policy is to inform you about processing of personal data when you interact with the websites codealley.dev and codealley.cz. It regards data collection, processing, use and transfer.

The personal data represents information related to an individual who can be identified from that information, including a conjunction with any other information.

Contact Form

We collect your personal data (contact name, email address, optionally your phone number) via contact form only for the purposes of answering your questions or responding to your demand. We store these personal data for the duration of mutual communication on our servers.

We do not store any other personal information, except above mentioned, and we do not use, share or transfer the collected data for any other purpose than above mentioned.

For further information, please contact us at privacy@codealley.dev.

This Privacy Policy is effective from 6th June 2023.
